

**Part No. ALL22236-22238**

## Aluminum Panels

Universal panels have many uses around the shop or at the track. Panels work well when fabricating spoiler sides, interior panels or on uneven pit areas as a floor jack plate. 24" x 48".

Part No.	Thickness
ALL22236	.063"
ALL22238	.125"
