

Part No. ALL56390

Third Link Assembly Without Bushings

Third link assembly designed to increase traction to rear tires uses interchangeable polyurethane bushings (sold separately, two required) to absorb energy under acceleration and braking. Bushings can be quickly changed to adjust to changing track conditions. Assembly is 2-1/4" wide x 3" tall and has a 3/4"-16 RH chrome moly stud for attaching a suspension tube. 3/4" ID inner steel bushings are stepped to keep link centered in poly bushings.

Note: A good starting point is a 70 durometer acceleration bushing and 90 durometer brake bushing.

Part No.	Description
ALL56391.....	Half Bushing Green, 50DR
ALL56392.....	Half Bushing Orange, 60DR
ALL56393.....	Half Bushing Yellow, 70DR
ALL56394.....	Half Bushing Blue, 80DR
ALL56395.....	Half Bushing Red, 90DR
