

Part No. ALL76265-76270

Weather Pack Connectors

Weather pack connectors are designed for harsh weather conditions. Originally used by top vehicle manufacturers, the reliability of these connectors has been proven for years and they have become common in many applications requiring a weather-proof connection. Kits include tower housing, shroud housing, seals and terminals for standard 16-14 gauge wire. Snap lock feature assures positive connection and allows connector to be easily separated as needed. Connectors are rated up to 20A at 12v DC.
