

**Part No. ALL26154-26167**

## Fuel Line Kits

Dual feed fuel line kits include the correct fittings and hoses to properly plumb single carburetor applications when connecting to AN style fitting. Line kits also include a capped -4AN fitting which can be easily connected to a fuel pressure gauge. Kits are offered with -6 or -8 lines and fittings.

Application	Line Size	Center To Center Distance	Red/Blue Part No.	Black Part No.
