

Part No. **ALL44056-44058**

## Tire Pressure Gauges, Glow In The Dark

Tire pressure gauge has a 2-1/4" diameter, glow in the dark face. Swivel chuck rotates 360 degrees on a 14" long rubber hose for easy placement on valve stems with leak free operation. A rubber cover surrounds the gauge for added protection against drops and has a ribbed molded pattern for increased grip. Gauge also features a built-in pressure release valve for removing air in small amounts for precise pressure adjustments.
